TREVOR PERRY

UPEND YOUR **PERSPECTIVE** & LIVE AN **Extraordinary** life

Ordinary lives are the result of a world narrowing as life progresses beyond childhood. Extraordinary lives exceed goals, fulfill dreams, and make a difference in the world of their sphere of influence.

Living an **extraordinary** life requires upending your perspective and looking at the world with the same awe, curiosity, and wonder of your youth, intensified with the wisdom of your age and experience.

To live an extraordinary life, you'll need some extraordinary guidance.
