Autodidactic

Loyal

## BIO

After Amanda's toddler was taken from my arms in her local grocery store in a thwarted abduction, she learned of the [child trafficking epidemic](#) here in America. Unable to look away, she now mobilizes the public in disrupting traffickers of America's children as well as emboldens the parents who raise them.

---

## ACCOMPLISHMENTS

### FOUNDER

#### **Vigilant Families | 2020**

- The first every online anti-trafficking training for families; children, youth, and parents/grandparents established late 2020 and due out 8/10/21

### FOUNDER + CEO

#### **Able Moms International | 2019**

- Local communities that foster capable, unshakeable, and memorable motherhood. AMI reaches not only churches, but the underserved in prisons, half-way houses, and pro-life homes. AMI is also the pioneer of Mom Comm, annual corporate gatherings open to every mother.

### SPEAKER + AUTHOR

#### **Bestseller, *Unraveled: Mothering Fiercely in a World Full of Fears* | 2018**

- A brief revelation of the trafficking industry in America and how to parent at the intersection of peace + reality; set to the backdrop of my toddler's true-life story

### FOUNDER

#### **Legacy Academy - Christian University Model® School | 2016**

### AREA DEVELOPMENT DIRECTOR

#### **Emeritus Senior Living | 2006-2009**
