

Madeleine Silva

HEALTHCARE REVOLUTIONIST

INSPIRING DOCTORS AND HEALERS TO
TRANSFORM HEALTHCARE
FROM THE INSIDE OUT

Madeleine has the ability to look at a complex, overwhelming situation and turn it into an opportunity to grow. Many health professionals are shackled to their practices, but Madeleine has mastered how you can break free from all of that.

Dr. Mindy H. Pelz, D.C.
Chiropractor
Nutrition Health Coach

For decades Madeleine has been a fierce leader of the holistic health movement inspiring wellness entrepreneurs to become the Healthcare Heroes they were meant to be. Known for helping doctors and healers become exceptionally clear of their unique genius - that is, the ONE healthcare crises they can solve - her uncomplicated and frank approach to reinventing healthcare drive her clients and presentation attendees toward growing their practice, influence, and income. Madeleine is the author of *Healthcare Heroes: The Solution to Our Healthcare Crises*, an in-demand speaker, and healthcare revolutionist.

MADELEINE'S MOST POPULAR MEDIA TOPICS INCLUDE:

- **What is Your Healthcare Hero Type?** Capitalize on your natural strengths to grow your practice, influence, and income - rather than struggle to overcome your weaknesses. You don't have to try to be someone you're not to succeed. The world needs what only YOU can deliver. Build a business around what you love to do and do well.
- **The Swedish Advantage to Healthcare** The real reason I speak with a funny accent is that I grew up in Sweden. Both my parent went through cancer in the Swedish healthcare system. Learn how you can apply the secrets behind the success of the Swedish healthcare system to your practice so you can become a true Healthcare Hero!
- **Exit Strategy** How I sold my business for the highest multiples my broker had ever seen to chase music shows across the country with my guy and two fur babies. A business I had started on unemployment checks, living in a shack with boarded-up windows and a bail bonds bus in the front yard.
