

CLIFFORD TODD

FREEING AMERICA'S CORPORATE SLAVES

AS LISTENED TO ON **REINVENTION RADIO** AND **KNOW THE NAME, KNOW THE GENIUS IN YOU.**

IN 1842, Clifford's direct lineage Aunt Mary took the name **MARY TODD LINCOLN**. Clifford shares his Uncle Abe's passion for abolishing Slavery. He's the author of **ABOLISH WAGE SLAVERY**, **Avoid the 3 MASSIVE MISTAKES that keep Employees STUCK in their jobs.**

Clifford freed himself from law school by winning a graduate fellowship to Rice University. He became the first economist for the American Medical Association in 1969 and stayed there long enough to feel what it's like to be in a job one doesn't absolutely love. In 1971, he began his self-employed journey. In recent years, he freed himself from alcohol addiction, cancer, and from the **self-sabotaging childhood belief** that he was a "slave" on his father's Ohio-size plantation farm. He passionately empowers people to free themselves. He's engaging and humorous, an entertaining guest.
