## Biography:

Gull Khan is an author, international speaker, podcaster, a Barrister, an Attorney, a Solicitor, an Intuitive Life Coach, an EFT expert, an Energy healer, a Money Mindset expert, and a Mother.

Gull is a former Banking and Finance Lawyer, who left her corporate job to pursue her passion and become a Money Mindset Expert and Healer. She helps Entrepreneurs break free from their limiting beliefs about money so that they can live a life of unlimited abundance.

Gull successfully overcame her battle with dyslexia and then completed her Law Degree at Queen Mary, University of London. She then went on to become a Barrister with Middle Temple (UK), Attorney with the New York Bar, and a fully qualified Solicitor with the Law Society of England and Wales in the UK. As a lawyer, she has worked for some of the top international law firms, such as Skadden, Arps, Slate, Meagher & Flom, and Herbert Smith as well as international companies, such as Shell Inc.

Gull is a trained Intuitive Life Coach and a certified Emotional Freedom Technique (EFT) expert, with a special focus on money in each discipline. Gull has helped hundreds of men and women to heal their money stories and to manifest between \$2000 to \$830,000 within 8 weeks.

Gull lives with her two children, two cats in London and has two passions, money and Bollywood.
